San Gabriel Valley Water Company
Tenant Notification

Water Service to this address is scheduled to be discontinued for non-payment on the TURN OFF DATE shown on the enclosed URGENT NOTICE.

To avoid the loss of water service you should contact your landlord, property manager or property owner regarding payment of the water bill.

As a tenant you have the right to become the San Gabriel Valley Water Company customer responsible for the account. However, if you do this, you will become responsible for all future billings at this property. The estimated monthly cost of service is the TOTAL AMOUNT PAST DUE shown on the enclosed URGENT NOTICE.

If you meet our requirements for a new customer, which may include the payment of a deposit, the water service will be continued without requiring you to pay the amount currently past due on the account.
