<u>CPUC Sheet No.</u>	<u>Title</u>	<u>Schedule No.</u>	<u>Canceling CPUC Sheet No.</u>
2367-W	List of Contracts and Deviations	N/A	2269-W

2369-W	Table of Contents	N/A	2362-W

### Purpose and Background

The purpose of this advice letter, submitted in accordance with General Rule 8.5.6 of General Order No. 96-B, is to seek approval to amend the List of Contracts and Deviations tariff sheet to reflect a change of ownership of a nursery served under a recycled water contract. All terms of the contract with the new customer, Jose Munoz Nursery, are identical to the terms of the previous contracts with LA Sanchez Nursery and its predecessors' contracts, approved by Commission Resolution No. W-3882, dated October 12, 1994; by Advice Letter 352, effective July 1, 2007; by Advice Letter 379, effective January 16, 2010; and by Advice Letter 401 effective July 5, 2011.

Because this advice letter does not seek approval of any rate changes, more restrictive conditions, or withdrawal of any service, a Commission resolution is not necessary to approve this filing. **Advice Letter No. 449 is a Tier 2 advice letter and should become effective 30 days after the filing date.**

### Notice

In accordance with the requirements of Water Industry Rule 4.1 of General Order No. 96-B, this advice letter is being sent to the parties listed on the attached distribution list. No

other parties have requested notification of tariff filings related to the Los Angeles County division.

This advice letter will be posted on San Gabriel Valley Water Company's website.

### **Protest and Responses**

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) San Gabriel did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which San Gabriel relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding;
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A response or protest must be made in writing or by electronic mail and must be received by the Division of Water and Audits within 20 days of the date this advice letter is filed.

The address for mailing or delivering a response or protest is:
