WATER SERVICE FOR HOUSE CONSTRUCTION

Subject: Water Service for House Construction  
Tract No.                      Lots

Gentlemen:

At the time of installation of water mains and services within your sub-division, flat rate water service for house construction can be made available by the installation of jumpers on all water services. A charge of \$ \_\_\_\_\_\*\* per lot is made for this service. The jumpers will be removed, and flat rate service terminated, when each house passes final inspection.

If you wish flat rate service, a signed copy of this letter must be returned to us prior to our installation of water mains and services.

Very truly yours,

Flat rate service is desired. It is understood that this service is for house construction only, and not for landscaping, planting, paving, compaction or other uses incidental to the development.
