APPLICATION FOR PRIVATE FIRE SERVICE

(T)

_____ (Utility) acknowledges the request of

(Applicant) for the installation of _____-inch private fire service con-
nection to the following property:

Utility agrees to proceed with this installation following receipt
of \$ _____, the estimated cost of the private fire service facilities, and
upon Applicant's acceptance, as evidenced by his signature below, of the terms
and Special Conditions of Schedule _____, attached, which Schedule is sub-
ject to change from time to time by the Public Utilities Commission of the
State of California. The present authorized rate for this service is \$
_____ per month.

Adjustment of any difference between the actual cost of the
installation of the private fire service facilities and the amount paid
herewith shall be made either by additional payment by Applicant or by refund
to Applicant within sixty days after the actual completed cost has been
determined by utility. Thereafter, no refunds will be made.

No bills will be rendered for service until Applicant has requested
Utility to turn on the private fire service connection. Applicant warrants
that his private fire system will be in proper condition to receive water when
such request is made, and Applicant releases and agrees to hold harmless
Utility from all claims, loss, expense, or liability arising from turning on
the service.
