APPLICATION FOR PRIVATE FIRE SERVICE

(T)

_____ (Utility) acknowledges the request of

(Applicant) for the installation of _____ -inch private fire service
connection to the following property:

Utility agrees to proceed with this installation following receipt of the estimated cost of the private fire service facilities from _____ (Contractor), and upon Applicant's acceptance, as evidenced by his signature below, of the terms and Special Conditions of Schedule _____, attached, which Schedule is subject to change from time to time by the Public Utilities Commission of the State of California. The present authorized rate for this service is \$ _____ per month.

Any difference between the actual cost and the estimated cost shall be adjusted between Utility and Contractor, and Utility shall not be required to account therefor to Applicant.

No bills will be rendered for service until Applicant has requested Utility to turn on the private fire service connection. Applicant warrants that his private fire system will be in proper condition to receive water when such request is made, and Applicant releases and agrees to hold harmless Utility from all claims, loss, expense, or liability arising from turning on the service.
