LOS ANGELES COUNTY DIVISION**

**NOTICE OF SAN GABRIEL VALLEY WATER COMPANY'S REQUEST TO INCREASE RATES
FOR THE 2019 GENERAL RATE CASE
APPLICATION NO. 19-01-001**

On January 2, 2019, San Gabriel Valley Water Company (San Gabriel) filed a general rate case (GRC) application A.19-01-001 (Application) with the California Public Utilities Commission (CPUC) to increase water rates. The Application requests rate increases in its Los Angeles County and Fontana Water Company Divisions covering the fiscal years (July - June) 2020-2021 through 2022-2023. San Gabriel has requested total revenue increases (in both its Los Angeles County and Fontana Water Company divisions) of \$13,726,700 or 9.6% in July 2020, \$11,574,300 or 7.3% in July 2021, and \$6,981,100 or 4.1% in July 2022.

LOS ANGELES COUNTY DIVISION CUSTOMER IMPACT

If approved by the CPUC, the effect of the proposed increases on the various customer classes in the Los Angeles County Division is shown as follows:

REASONS FOR REQUESTED INCREASES

The principal reasons for the requested rate increases include:

- Declines in per-customer water sales,
- Increases in expenses for labor, materials and supplies, insurance, employee healthcare and benefits,
- The need to construct additional water facilities, including treatment facilities to remove 1, 4-Dioxane and N-Nitroso-dimethylamine (NDMA), water mains, pipes and service lines, storage tanks, pumps, meters, hydrants, supply wells, and
- The need to replace service vehicles to meet expected demands for service, and to assure continued compliance with all applicable safe drinking water quality standards.

THE CPUC'S PROCESS

The Application will be assigned to an Administrative Law Judge (Judge), who will determine how to receive evidence and other related documents necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held, where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate. After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision determining whether to adopt all or part San Gabriel's request, modify it, or deny it. The CPUC Commissioners may sponsor an alternate decision, and the issue will be decided at a scheduled Commission Voting Meeting.
