SPECIAL CONDITIONS

1. Facilities fees are payable in addition to and do not limit any charges that may be applicable under Rule 15, Rule 16, and other tariff provisions.
2. These fees are not subject to the Public Utilities Commission Reimbursement Fee surcharge in Schedule UF.
3. Facilities Fees shall only be used for the repair and replacement of existing infrastructure or the installation of new infrastructure and shall not be used for the cost of the service connection or the meter.
4. An estimate of the Facilities Fees shall be included in any deposit required of the applicant under Rules 15 and 16, or otherwise. The tariff sheet in effect at the time the statement of actual construction costs is provided to the applicant under Rules 15 or 16, or otherwise, shall determine the applicable amount of the Facilities Fees.

Effective 7/1/2020

5. The Facility Fee applicable for increases in the size of existing meters or the diameter of private fire service connections shall be computed as the difference between the Facility Fee applicable to the existing meter size or private fire service connection size and the larger meter size or private fire service connection size requested by the customer.
6. Facilities Fees are based on meter size, except for private fire service connections, for which the Facilities Fees are based on the diameter of the private fire service connection.
