

Contact information for customer service is shown here.

Your account information including: the customer name, **NEW customer - account number**, service address, customer class, rate schedule, date of bill and due date.

Be sure to check the Special Message box section for important information and announcements.

This is your service information, including: meter number, dates your meter was read, meter readings and the amount of usage for the current month. Usage and readings are shown in hundred cubic feet of CCF. Each CCF is equal to 748 gallons.

Track your current usage in comparison to previous years.

The detachable stub is now located at the bottom of your bill. Please return the stub along with your payment. Please make sure the mailing address is visible through the window on the return envelope.
